

DRIVING INSTRUCTIONS

For driving to the hotel please use "Kajetanerplatz" as destination for your navigation system.

This is the entrance to Kaigasse and the pedestrian area, which is blocked between 11:00am and 06:00am.

On the left you will find a pillar where you may ring the hotel.

A code with 6 digits and 1 letter will be provided to you via phone (connection may take about 30 seconds), which you type in and the pillar moves down, so you may proceed driving to the hotel.
